Prez's Message

The Spring trials are over and WSOTC owes a huge THANK YOU to Amanda Buse and her show committee, Nancy Light, Don Rennick, JoAnne and Susan Mulligan and Laila Vafaezadeh. By all reports the trials went well. Unfortunately, as club president, I was missing in action. Labrador, Bravo, was injured and I remained home with him waiting to hear from my vet and taking my frustrations out on the blackberries invading my property. Meanwhile, Nancy Light took over the duties of running the membership meeting. Thank you Nancy! I'm pleased to report Bravo's injury was not serious and with some anti-inflammatory meds and swimming as physical therapy he should be back in action soon.

Let me say this about WSOTC; this club has members who are generous and passionate about performance events. This club also has the best set of by laws and standing rules I have seen. Club members are kept abreast of finances, event budgets and asked to vote on club business at meetings. My other clubs just rattle off announcements at membership meetings. The full/associate membership option is not without its problems, yet was an inspired solution to the problem of getting a quorum to vote in these very busy, traffic ridden times. The board does its best to reach out via the newsletter, the website and e-mail. All members are welcome to attend board meetings as well as the general membership meetings. I belong to six dog clubs and I get it. Sometimes you are too tired to care or you are too busy to deal with club business.

A poll was handed to club members at the last membership meeting to get opinions on various subjects being discussed by the board. This poll will also be sent via e-mail. Traditionally polls have a very poor response rate. I am hoping you will take the time to respond. Membership opinion is important. It is what makes WSOTC a good dog club. You can respond by scanning and attaching the poll to my e-mail or simply by sending an e-mail to a board member voicing your thoughts. I can be reached at wdsato@cablespeed.com. I am looking forward to hearing from you!

~Terrie~

WASHINGTON STATE OBEDIENCE TRAINING CLUB, MEMBERSHIP MEETING

March 30, 2019

The meeting was called to order at 12:37 by Vice-President Nancy Light. President Terrie Sato was unable to attend due to some personal matters. A quorum was present: Nancy Haney, Ingrida Robinson (F), Arlette Davison, Sue Cox (F), Susan Mulligan, JoAnne Mulligan, Sharon Colvin, Amanda Buse, Laura Burns, Sil Sanders, Veronica Ness (F), Karen Snee (F), Kathy Teufel, Catherine Baker and Nancy Light (F). Guests present: Janice Gunn and Pam Casse.

Report of the Board: The Board is interested in hearing from the membership on some important issues. The structure of the Spring trials and the Club newsletter is under discussion. Also, the location of the June General Membership meeting needs member input. Please indicate your opinion on the poll handout available today, or later when it's sent to all the members.

Secretary: Not present

Treasurer: Sue Cox presented an up-to-date financial report with checkbook and savings balances.

COMMITTEE REPORTS:

- Membership: Susan Mulligan gave a second reading of Elizabeth Soule's membership application to be voted on later in the meeting. For this year we have 17 Full members; a quorum is 3 Full Members (20% of the Full Members).
- Spring Trials 2019: The trials are in progress! There remain a few unpaid trophy pledges to be collected.
- Fall Obedience Trials: Ingrida Robinson commented on the special classes to be offered.
- Thanksgiving Weekend Rally Trials: Ingrida commented the existing non-regular rally classes which will be offered. *A motion carried accepting the budget for these rally trials.*
- Seminar: See Terri Kaluza for information concerning the Brenda Aloff seminar. There has been no budget presented for this event.
- Agility: Nancy Light commented that our judges will be Lori Sage and Jack Cadalso, our AKC Delegate.
- TDX: Sil Sanders reported on the TDX test and rally trials being held on the same weekend, but it was approved by AKC for the club to continue with both events as planned. That issue had to be resolved before the location and judges were secured so he can now proceed with those tasks. He again asked for members with a military background to let him know as it will help immensely with being able to secure JBLM for the TDX test.
- Election of New Members: Elizabeth Soule was elected to membership. Welcome Elizabeth!

Unfinished Business: Some of the remaining member awards were presented to those unable to attend the awards meeting. The Top Dog Open and Utility award was presented to Laura Burns and "Journey," her Irish Water Spaniel.

New Business:

The nominating committee consists of Lee Boelter, Sharon Colvin, and Debbie Addicoat, with Jill Petersen as the alternate. If you would like to serve on the WSOTC board as an officer or member at large, please let a committee member know.

The few copies of the membership poll form were distributed to those present. We discussed the newsletter's future and a popular suggestion was to have a quarterly Canine Post with the minutes and other items being sent via email to members and/or posted on the web site.

For the good of the order: Thank you so much to Amanda Buse and her hard-working committee for putting together a great Spring Trial. There is a lot of work, planning and more than a little angst that goes into this trial and the club appreciates the show committee's time and energy. Good luck to all exhibitors!

The meeting was adjourned, but the time was not noted.

Sue Cox, Acting Secretary

The WSOTC Club Achievement Award for 2018 Goes To...

Don Rennick was chosen as the recipient of the 2018 WSOTC Club Achievement Award (Louis Prince Award). This award carries with it a long standing history of recognizing valued club members for their efforts on behalf of WSOTC. Don was nominated by several members. The following statement eloquently expresses why Don is the ideal recipient of this award.

"Over the years I have perused the list of recipients for this award and have been struck that one deserving club member appears to have never received it. This member, whenever I have requested assistance or information, has always been willing to help.

Don Rennick has been a longtime WSOTC member. He has graciously housed much of the club's equipment, leftover trophies, and other items. Doing this, requires him to be available to either drop off equipment at events or to make himself available for people to come and get items from his home. Additionally, he has built some equipment, such as the new leash holders that were needed for the changed Open Obedience classes.

Behind the scenes, Don has handled all of the class scheduling for the spring Obedience and Rally trials, has served as the judge liaison, which includes contacting prospective trial judges, formalizing contracts, and judges' hospitality (hotel, transportation, organizing meals, etc.). He has also judged at these trials.

Now that the club has resumed fall Obedience and Rally trials, Don makes sure equipment is present for these trials too, as well as ensuring the Tracking equipment is at their trials. As the spring trial venue has changed over the years and the fall trials are held in Kent, Don is there regardless if it is north, south or somewhere in between, ready to help as needed. We usually find him prior to the shows assisting with ring set up and at the conclusion, helping to take equipment down. It takes a lot of dedication and time for one person to assist with several events and shows per year.

Personally, I think it is long overdue that Don be recognized as a valuable member of WSOTC and to the local dog show community. As the spring Obedience and Rally chair, who is indebted to Don's service and assistance, I would like to nominate him for the Louis Prince award."

In addition to the statement above it should be noted that Don served on the board and has served on the audit /budget committee. WSOTC is delighted to present Don Rennick with our prestigious Club Achievement Award.

A Huge Congratulations to Don Rennick!!

Dear Washington State Obedience Training Club,

Thank you for your generous contribution of \$1,250.00 to the AKC Humane Fund's Women's Shelter Grant on 02/13/2019. This gift will be recognized with a plaque on our AKC Humane Fund Founding Members wall.

Your donation allows us to provide grants to domestic violence shelters that welcome pets. Victims of domestic abuse are often unable to leave their abuser for fear of the safety of the pet in the home. Our grants help uphold the human-animal bond when it is needed most by providing essential operational support relating to the housing of pets, or improvements specifically for the shelter and care of pets.

The AKC Humane Fund unites animal lovers in promoting the joy and value of responsible pet ownership through education, outreach and grant-making. With our donor-support, we fund grants to organizations that educate adults and children about responsible pet ownership, provide disaster relief and other services for the well-being of dogs, and create programs that preserve the human-animal bond.

The AKC Humane Fund, Inc. is a 501 (c)(3) organization and is registered as a charity in all fifty states.

Educational Opportunity Hosted by Evergreen Golden Retriever Club

The April meeting of the Evergreen Golden Retriever Club will feature a program on the emerging issue of Food Related Taurine deficiency/ Dilated Cardiomyopathy. The speaker will be:

Mikaela Mueller, DVM, DACVIM (Cardiology)
Board Certified in Veterinary Cardiology
Seattle Veterinary Specialists
BluePearl Veterinary Partners

Date: April 18, 2019
Location: Kirkland Library - 308 Kirkland Ave, Kirkland, WA 98033
Time: About 7:30 pm, following the general membership meeting at 7:00

All are invited. It would help if you would PM Nancy Light if you are planning on attending so we can plan for attendance. Come with questions, Dr. Mueller will be happy to address them.

I am not sure if WSOTC members have been reading anything about a cardiac disease called Dilated Cardiomyopathy (DCM), which simply put is an enlargement of the heart, a very serious condition which can lead to death. Some breeds are particularly genetically prone, like Dobermans, but there is evidence that other breeds are getting this from the foods they eat, especially the grain free foods that are currently popular. It appears to be the presence of certain ingredients like peas and other legumes, potatoes, as well as the so called "boutique" foods that contain unusual protein sources such as kangaroo, rabbit and others. Here are a couple of links, though there is much more on line. There appears to be a concern particularly with Golden Retrievers, but many other breeds have been affected. EGRC will have a program on this.

You can PM me or email me if you would like to come, just wanted to be able to plan for attendance.
