PREZ'S MESSAGE

Recently I was training on a covered sidewalk at a strip mall. I like to train there because there are a couple of empty store fronts with big windows that help me see straight fronts or a dog's movement with my back turned. Because it is a fairly busy place I never go very far away, but I can work some signals by draping the leash over my dog's shoulders. There happens to be a pizza place with people frequently going in and out which makes for some interesting distractions. Occasionally someone will stop and make a comment.

I was working Hobbs on signals, trying to explain to him that he should not move forward with each signal. I was about eight feet away. We were having a modicum of success. When I signaled to finish he would make a little noise...his complaint, letting me know that this was a difficult situation for him. I told him to be quiet and from the front position I again signaled a finish. Once again he completed the task with a verbal protest.

After several attempts I was able to communicate to him that he needed to be quiet and I finally got a nice smooth, quiet finish.

CLUB UPDATES

This was followed by a reward and he leaped in the air, tail wagging. A man parked near by jumped out of his car and said,

“THAT IS AN AWESOME DOG!”

For all of two seconds the many problems, details really, I had been working to solve flashed through my mind. Then I looked at this stranger with a big grin on my face and said, “YES! HE IS AN AWESOME DOG!!”

What a great reminder that no matter what our scores, pass or fail on any given day, our dogs are AWESOME. They love being with us. They are bonded to us. They are truly our companion dogs. Aren't you glad that the sport of obedience has brought us together and helped us build a great relationship with our dogs?

We all have AWESOME dogs!

Any additional trial should be budgeted for no loss (11/15).
Awards Committee: Awards form needs to be updated.

New Business

The website only has newsletters dating from 2018. Where can we find older copies to get old minutes? Old records for banking bill for box?

GENERAL MEETING MINUTES

OCTOBER 24, 2022

Call to order – The meeting was called to order over Zoom at 7:02 by President Terrie Sato. In attendance: Terrie Sato, Nancy Light, Neil Evans, Karen Snee, Rhonda Forman, Jayne Walker, Betty Winthers, Kelli Armstrong, Sandy Burr, Veronica Ness, Arlette Davison, Cathy Soule, Elizabeth Soule, Pat Lindquist, Jill Petersen, Nancy Harney, Holly Krohn Dix Dixon; Guests: Karen Parkey, Debby Warden, Tain Rose, Jessie Quinn, Sarah Hebert

Minutes were approved from the last meeting on 9/26/22 as printed in the Canine Post

Report of the Board - It has been brought to our attention that at one time WSOTC had a safety deposit box with our original papers from AKC as well as other important documents. It was originally in Chase Bank. In changing banks to BOA and then BECU the whereabouts of the box and/or the documents has been lost. We would like to track down what happened to the box and documents. There is no longer a key or a bill from any bank to hold the box.

The board has sent two budgets on to the membership for approval tonight. Remember that membership renewal is coming up.

Report of the President - Terrie - Most of you have heard that John Cox, Sue's husband and a favorite judge, had a heart attack while traveling last week. Sue is in Chicago with John as he is recovering from surgery. We wish John a speedy recovery!

Report of the Secretary- Rhonda – No report

Report of the Treasurer - Sue - Jody Woodruff submitted the profit/loss statements from July through September. Our bank account looks healthy. A portion of our checking was transferred to savings. Check the website under members only for more detail.

Committee Reports:

- a. **Membership** - Cathy Soule - There will be a second reading and voting for Debby Warden and Karen Parkey – both were approved as Associate Members

Unfinished Business

By Laws - the By Laws are still being reviewed by AKC and we are waiting to hear.

Ten Minute Ticker and Rent A Ring – January 1, 2023 at Donida Farm in Auburn

We have a new format for TMTs and RARs. The January 1 event will have both options: two rings for TMTs, offering 15-minute time slots with a “judge” to call commands or assist you in whatever manner you desire. At the same time we’ll have two RARs for folks who want to do their own run-throughs or train alone or with friends. RAR slots are 55 minutes long. We’ll start at 9 am and end at 3 pm.

Donida gives us plenty of space to set up four rings and still have space for crating and warm-ups. Sponsored by Kathy Lang and Ingrida Robinson. Volunteers who help judge or steward will receive a payment/credit for their time. For more info and online registration:

Announcing the New AKC FIT DOG Titles

The American Kennel Club is excited to announce the new AKC FIT DOG Titles. These titles are designed to provide a structured, individualized fitness plan that you and your dog can do together.

There are 3 levels of AKC fitness titles—Bronze, Silver, and Gold. Each title requires a specific number of activity points to be completed, which varies based on title level. Review the Participant Guide for more details.

[Bronze—5 Points](#)

[Silver—10 Points](#)

[Gold—20 Points](#)

Within each title, there are 6 categories of activities to choose from to earn your points. AKC FIT DOG titles are noncompetitive, and dog owners may choose different activities to earn titles.

AKC Fitness Title Categories:

1. AKC FIT DOG Course
2. Runs (community runs such as a Turkey Trot, Spring Scurry, etc.)
3. Walks and hikes (Independent or Group)
4. Unique to You and Your Dog (e.g., swimming, Parkour)
5. AKC Title that is fitness related (e.g., FAST CAT, agility)
6. AKC Parent Club Performance Titles (e.g., pack dog, sledding)

The AKC FIT DOG titles will officially launch in January of 2023 but we invite you to begin working towards these activities now to be one of the first to earn a title!

Have fun! For any questions, contact cgc@akc.org

Celebrations!

 Arlette Davison + Aubrey

Saturday, October 29 at the Vancouver Kennel Club trial in Ridgefield, Aubrey earned her CGC and Novice Trick title; she was also Reserve WB in Conformation Saturday and Sunday. Aubrielle Giselle Fleur Royale 11/20/21

Celebrations!

Nancy Light + Lia

Lia was awarded her CCA, a title from the Golden Retriever Club of America. It stands for Conformation Certificate Assessment. Each Golden is measured and photographed, and then assessed by three evaluators against the AKC Golden breed standard. There are numerical scores for all the points of the standard and the dog must get at least 75% in average scores from each evaluator. It is non-competitive and intended for those of us not interested in competing in the show ring, geared more for working dogs, without all the grooming and glitz of the show ring. The Labradors have a similar event, and I am not aware of any other breeds that have this. It is intended to be educational, as the evaluators talk to you as they examine and score, and share what they see as faults and strong points in your dog. Temperaments are also evaluated in a "mingle" with three dogs interacting, to see if signs of aggression or timidity, which they also can evaluate in the individual examinations. Our breed standard requires "friendly, reliable, trustworthy".
